# HUG

DESIGN BY : SALVATORE BONURA

Hug is a clear illustration of the fact that, in design, the quest for simplicity is the result of a complex journey. Creating a sectional sofa characterized by exceptional seating comfort and coverings that emphasize the roundness of the volumes while maintaining a clear definition of the edges through particular attention to the seams is challenging.

# OASI

DESIGN BY : SALVATORE BONURA

Oasi is a modular sofa characterized by essential lines, that design modern and comfortable volumes, transforming this furnishing into the protagonist of the living space.

With an extremely versatile design, the Oasi sofa enhances contemporary living spaces, creating immediately a cosy atmosphere.

OASI

OASI

Oasi is characterized by the elegant game of aesthetic coherence between sinuous shapes, comfortable volumes and compactness of the frame.

# BUDDY

DESIGN BY : STEFAN CRUSOCHIC

The Buddy sofa is a contemporary piece of furniture that boasts a sleek, minimalist design. It is upholstered in high-quality, durable materials that are both comfortable and easy to maintain. The sofa's clean lines and understated design are complemented by its choice of muted, earthy colours, which help to create a calming, inviting atmosphere in any room and any outdoor space.

The Buddy Sofa is perfect for those who appreciate the flexibility of modular furniture, and its contemporary design is sure to make a stylish statement in any modern living space.

Available for both indoor and outdoor solutions.

**HILLS OUTDOOR**

# VELARE

DESIGN BY : STI MILANO STUDIO

Velare is an exploration of softness visually, physically, and emotionally. Its name, meaning “to veil” in Italian, captures the essence of its design: a form that gently envelops, conceals, and reveals, inviting a deeper connection with comfort and stillness.

Defined by fluid lines and a quietly luxurious silhouette, Velare appears to float just above the floor, its low profile and generous curves creating a serene landscape of rest. The upholstery drapes effortlessly across its structure, echoing the elegance of finely tailored fabric, while the subtle tension between structure and suppleness speaks to STI Milano’s mastery of proportion and materiality.

# COCOON

DESIGN BY : STI MILANO STUDIO

Cocoon is an embrace made tangible a sofa that transforms the act of sitting into an experience of protection, softness, and serenity. Envisioned as a refuge within the modern home, its enveloping form draws inspiration from organic curves and the instinctive human desire for comfort and shelter.

Generously proportioned and deeply upholstered, Cocoon invites you to sink in and slow down. Its flowing lines and sculptural silhouette create a sense of intimacy without confinement, while the meticulous craftsmanship behind each seam reveals STI Milano's devotion to material excellence and timeless design.

COCOON

# STATUS

DESIGN BY : STI MILANO STUDIO

A seamless combination of originality and importance. The Status sofa presents itself as an incredibly inviting piece. The relaxed shape, extraordinary comfort, and generous size make it a particularly consumer-friendly sofa.

STATUS

# HOPE

DESIGN BY : STI MILANO STUDIO

Contemporary design and formal elegance are expressions of the Hopes aesthetic code. The play of backrests creates different seat depths and interprets each occasion of everyday living with unique nonchalance.

↑  
**HOPE**

# DARLING

DESIGN BY : STI MILANO STUDIO

Contemporary comfort with a unique design, the Darling sofa is characterised by its soft, full forms. The leather padding lends an elegantly casual aesthetic that invites you to relax.

DARLING

# LIBERTY

DESIGN BY : SALVATORE BONURA

Experience the freedom of contemporary luxury with Liberty, where impeccable design and unmatched comfort intertwine, creating a haven of style and serenity.

LIBERTY

# BOROS

DESIGN BY : STI MILANO STUDIO

With its vintage charm, recognizable style and elegant silhouette, Boros refers to the icons of design, offering an original re-interpretation of the classic sofa. An emblem of the metropolitan mood.

↑  
**BOROS**

The large volumes and abundant dimensions make room to a new project where the details of the stitchings make comfort evident. Boros has a strong and current character, furthermore the contrasting choice of material and color of beauty cushions defines its glamorous spirit.

# APOLLO

DESIGN BY : STI MILANO STUDIO

Apollo is a modern, sophisticated, and comfortable sofa. The minimal design of the structure is combined with a focus on comfort, with separate cushion support or the structure upholstered in leather.

APOLLO

# TULIP

DESIGN BY : STI MILANO STUDIO

The Tulip sofa is characterized by an inviting appearance created through the interaction of shapes and depths. Combined with the contemporary elegance of leather, Tulip can take on the desired mood from classic to more modern style.

↑  
**TULIP**

# SORRISO

DESIGN BY : STI MILANO STUDIO

Sorriso is an extremely modern product. It is a light, airy sofa, suspended on aluminium feet. We paid careful attention to the detailing on the armrest, which extends to behind the backrest. Made with a seam that divides, embellishes and holds the armrest in place. Sorriso is a versatile product which appeals to a very wide audience.

**SORRISO**

The design of the Sorriso Sofa - its geometry, its volume, its overall sensibility - speaks a clear message: one of elegant relaxation. Its stylistic language is direct, avoiding all unnecessary complications and distractions.

# CANYON

DESIGN BY : STI MILANO STUDIO

The Canyons heart pulsates underneath the sophisticated design and fine fabrics. It is found in the frame's high quality content, in the technological solutions and along with the true craftsmanship of its manufacturing.

CANYON

# KING

DESIGN BY : STI MILANO STUDIO

King is defined by simple and contemporary lines, the minimal and slender design of the metal structure and the simple and clean shapes of the cushions, characterize it as a modern and current product.

The details, shapes and overall aesthetics of King make it a contemporary furnishing piece with a timeless character, designed to meet the different situations of everyday life: from moments dedicated to relaxation to those conceived for conviviality, from hospitality occasions to the more intimate ones of domestic life.

**KING**

# CAPITANO

DESIGN BY : STI MILANO STUDIO

Introducing Capitano, a sophisticated blend of contemporary design and luxurious comfort. This modern sofa features clean lines, plush cushions, and a minimalist silhouette, making it the perfect centerpiece for any living space. The Capitano's adjustable armrests and headrests provide customizable comfort, while its sleek metal legs add a touch of elegance.

Upholstered in high-quality leather, the Capitano is not only stylish but also durable and easy to maintain. Its spacious seating accommodates multiple guests, ensuring that everyone enjoys its refined charm and ergonomic support.

With the Capitano, you get both functionality and aesthetic appeal ideal for those who appreciate refined design and uncompromising comfort in their home.

↑  
**CAPITANO**

# MESSI

DESIGN BY : STI MILANO STUDIO

A sofa that redefines modern luxury with a touch of bold Italian flair. Its sleek design and smooth leather upholstery make it the kind of statement piece your living room has been waiting for.

The Messi Sofa doesn't just look good; it feels incredible. Sink into its wide, plush cushions for a lounging experience that's all about comfort. The subtle curve of the armrests adds a playful twist to its streamlined silhouette, while the slim, angled metal legs give it a light, effortless look, as if it's floating on air.

Designed for those who appreciate standout style and impeccable craftsmanship, the Messi is more than just a sofa it's an invitation to live boldly, relax deeply, and enjoy the perfect mix of modern elegance and everyday luxury.

↑  
**MESSI**

# RAGGIO

DESIGN BY : STI MILANO STUDIO

The Raggio sofa is a masterful creation, blending bold design with unrivaled comfort. This sleek, contemporary piece showcases a refined balance between modern aesthetics and ergonomic function. With its smooth curves and polished profile, the Raggio's silhouette exudes sophistication, making it an ideal addition to any upscale living space.

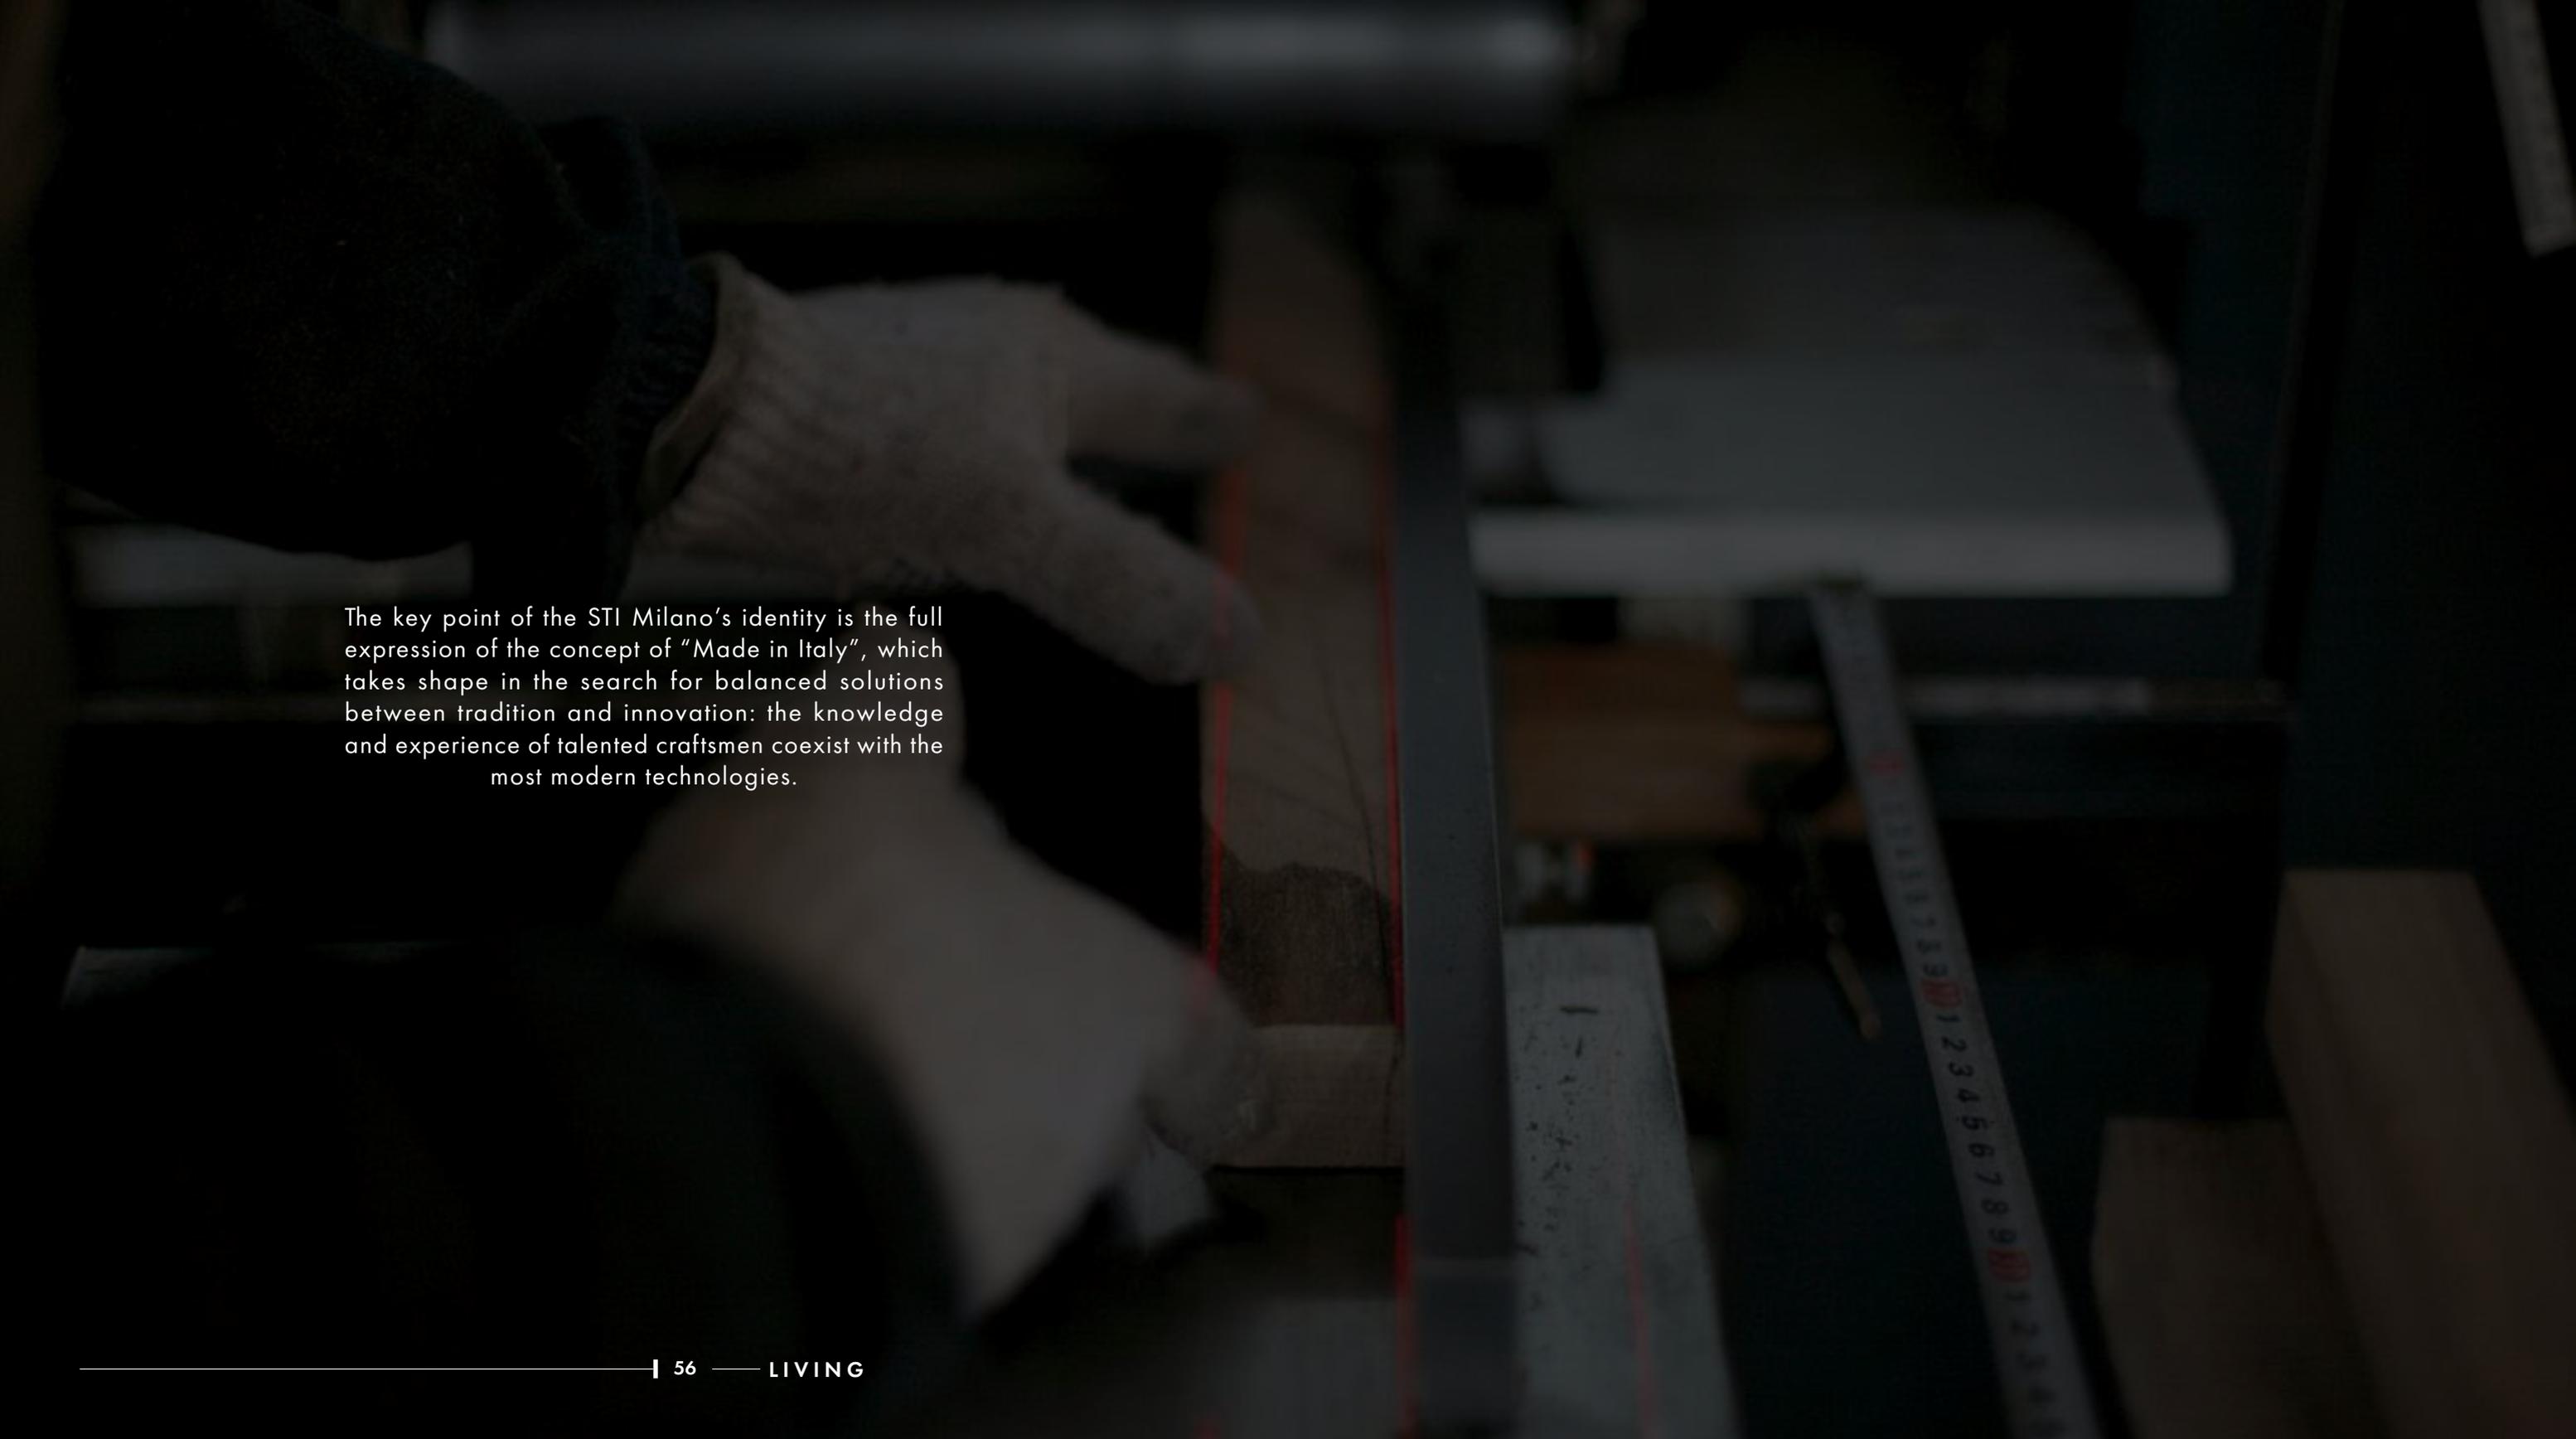

The adjustable headrest provides personalized comfort, while the supple leather upholstery offers both durability and an inviting, luxurious touch. The robust metal legs, elegantly curved, give the sofa a floating appearance, adding a unique flair to its minimalist design.

Crafted with precision by STI Milano, the Raggio embodies Italian design excellence, combining cutting-edge innovation with timeless appeal perfect for those who appreciate both beauty and functionality in their living spaces.

↑  
**RAGGIO**

The key point of the STI Milano's identity is the full expression of the concept of "Made in Italy", which takes shape in the search for balanced solutions between tradition and innovation: the knowledge and experience of talented craftsmen coexist with the most modern technologies.

Exploring new conceptual and aesthetic trends, STI analyses evolutions in living habits, in residential and public spaces, and often interweaves and combines skills and technologies from the two areas. To design and build armchair and lounge chair living solutions that work as the ideal complement but can also become the protagonist of contemporary life.

## STI - ARMCHAIRS

The values of Italian manufacturing on which the company is built are a precious heritage that, year after year, STI imbues upon the design and manufacture of its Armchair Collection.

The background is dark and filled with various tools and equipment, suggesting a professional manufacturing or design studio environment. The lighting is focused on the person's hands and the fabric, creating a sense of craftsmanship and attention to detail.

The materials and technologies conceived are an integral part of the study carried out for every product that is designed to highlight both its own identity and customer requirements.

Promoting the intrinsic quality of every product has always ensured the excellence of STI Milano products. This requires investments in the search for innovative solutions and partnerships to pursue a process of continuous improvement.

## STI LEATHERS

STI Milano, synonymous with craftsmanship and sophistication, presents an exquisite range of luxury leather finishes for our discerning clientele. Our dedication to perfection is reflected in every inch of our leather, where quality meets aesthetics to create an unparalleled sensory experience. From buttery-soft, full-grain leathers that envelop you in unparalleled comfort to exquisitely textured and embossed options that redefine opulence, our collection caters to the most refined tastes. These leather finishes, available in an array of rich hues, transform each STI piece into a work of art that exudes timeless elegance.

Leather is a unique natural material which appreciates in value over time. STI leathers are carefully selected and treated in specialty leather works factories using advanced working and dyeing techniques. In an effort to retain the leathers natural qualities (wrinkles, scars, markings, shadings etc.) which are the defining qualities of any leather. When we cover our products with leather it may require more stitching than the same product covered in a different material and once each hide has been processed, it maintains a unique qualities that cannot be imitated or replicated further increasing its value.
